

ALLWELD®

Easy Move Order Pickers

Genuine industrial grade and designed to outlast the rest

Extremely robust because it's fully welded using thick walled, marine grade aluminium

A large 600mm wide x 750mm *checkerplate* platform

Load rated to 250 kg

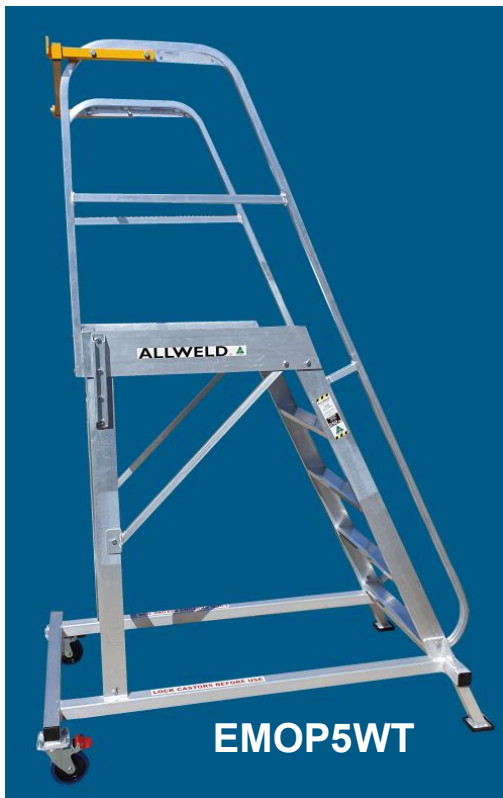

Optional safety boom gate locates at the top of the steps

Exceeds AS/NZS 1892.1

Walk Through Models

A boom gate allows access off the back of the platform to places such as mezzanine floors, truck trailers & island platforms. The base protrudes further out than the platform which means the platform can't be pushed up against a vertical wall.

PLEASE REFER TO:

APWT Access Platforms Walk Through

for an access ladder with a vertical face.

Model	Steps	Platform Height	Footprint
EMOP3	3	816mm	825 x 1260
EMOP4	4	1088mm	825 x 1425
EMOP5	5	1359mm	825 x 1590
EMOP6	6	1631mm	825 x 1755
EMOP7	7	1903mm	1040 x 1920
EMOP8	8	2175mm	1040 x 2085
EMOP9	9	2447mm	1040 x 2250
EMOP10	10	2719mm	1040 x 2415
EMOP11	11	2991mm	1220 x 2580
EMOP12	12	3265mm	1220 x 2745
